

## 1. Use of This Content

The "Quantum Open Development Ecosystem Optimization Division Specification Document" (hereinafter referred to as "this content") published on the website of the Quantum Strategic industry Alliance for Revolution (Q-STAR) may be freely used by anyone, including for commercial purposes, in accordance with the usage rules set forth in Sections 1.1 to 1.4 below (hereinafter referred to as "these usage rules"), unless otherwise specified for certain content.

By using this content, you are deemed to have agreed to these usage rules.

### 1.1. Attribution

1. When using this content, please provide attribution as shown in the following example:

**Example of attribution:**

Source: ([Q-STAR Quantum Strategic industry Alliance for Revolution](#))

2. If you edit or modify this content, in addition to the above attribution, you must indicate that the content has been edited or modified and identify the party responsible for the changes. You must not present the modified content as if it were created by Q-STAR in its original, unaltered form.

3. **Example of attribution for edited/modified content:**

Created by modifying the "Quantum Open Development Ecosystem Optimization Division Specification Document" (URL of the relevant page)  
Created by ○○ Corporation based on the "Quantum Open Development Ecosystem Optimization Division Specification Document" and "○○ Trend Survey" (URL of the relevant page), etc.

### 1.2. Respect for Third-Party Rights

1. Some parts of this content may be subject to copyrights or other rights held by third parties. Except where it is explicitly stated that such rights have been cleared, users are responsible for obtaining permission from the relevant third parties before using content that includes such rights (e.g., portrait rights or publicity rights in photographs).

2. Some parts of this content may indicate, either directly or indirectly through attribution, that third parties hold rights. However, not all such parts are clearly identified. Users are responsible for confirming the rights status before use.

### **1.3. Disclaimer**

1. Q-STAR assumes no responsibility for any actions taken by users using this content (including use of edited or modified versions of this content).
2. This content may be changed, relocated, or deleted without prior notice.

### **1.4. Other Provisions**

1. These usage rules do not restrict uses permitted under copyright law, such as quotation.
2. These usage rules were established on May 29, 2025. They may be revised in the future. However, content used under the terms of a previous version of the rules may continue to be used under those terms.
3. These usage rules are compatible with the [Legal Code - Attribution 4.0 International - Creative Commons](#) (hereinafter referred to as "CC BY"). Q-STAR permits users to use this content under the terms of CC BY.
